Town Talk

Candy X-Rayed

Glades General Hospital will x-ray candy for children who have gone trick-or-treating on Oct. 31. Candy will be x-rayed in the Emergency Room until 11 p.m. There is no charge and children must be accompanied by an adult.

Halloween Carnival

The GladesDay School will hold its annual Halloween Carnival and Parade on Saturday, Oct. 26, at the campus football field. We would like to invite you to attend and cover this important event.

The costume parade will begin at 5:30 p.m., followed by the judging. The categories include: Most Original Costume, Most Authentic, Best Halloween, Best Group Theme, and Best overall Visitor. All first place winners of each grade level in each category will compete for the grand trophy. One grand trophy will be awarded in each category.

Legion hosts party

BELLE GLADE For a real SPOOKTACULAR time, members of the American Legion, Post 20, invite you to attend their adult Halloween party, Saturday, October 26 at 8 p.m.

Music will be provided by Joe Stevens. Prizes will be given away.

A children's Halloween party will be held at the Legion on Thursday, October 31 starting at 7 p.m. Parents are encouraged to bring their children for a safe Halloween evening of fun.

Bingo will be cancelled for the evening.

Sale for Veteran's

BELLE GLADE The Palm Beach County Women's Bowling Association will be sponsoring a rummage sale Saturday, November 2 at the corner of Southeast Third Street and Avenue E.

The PBCWBA is sponsoring the sale to raise funds for hospitalized American veterans.

Unwanted items can be donated for the cause by calling 996-3986 or 996-8438. A member of the PBCWBA will pick up the donation.

Church hosts sale

PAHOKEE St. Mary's Catholic Church, 1200 East Main Street, Pahokee, is sponsoring a rummage sale Saturday, November 2 from 8 a.m. to noon on the church grounds.

Clothing, appliances and other miscellaneous items will be on sale. The sale is open to the public.

Single parents invited

BELLE GLADE Members of the Community United Methodist Church are sponsoring a single parent seminar open to everyone in the Glades area.

Session II will begin Monday, October 28 at 7:30 p.m. The goal of the sessions is to raise the potential of the participants and enable them to work with persons who have similar goals.

Dr. David T. Evans is the counselor. The cost of the seminar is \$20 and is open to any single parent whether they retain custody of their children or not.

To register, or for further information, contact Melanie LaFlamme at 996-5862.

Jones tabbed as Citizen of Year

By **ELKE SCHWARZ**
BELLE GLADE—Four Belle Glade citizens were honored at the annual Belle Glade Chamber of Commerce banquet.

Police Officer of the Year was awarded to D. Bill Mathis; Jack Edward Scott was voted as Fireman of the Year; the 1985 Agri-Industrial Award went to Ray Roth; and Dean Jones won the Citizen of the Year Award.

Jones, 46, a staff writer for the Palm Beach Post and Evening Times was described as "ubiquitous".

Steve Weeks, president of the Chamber, read Jones' biography before the award was given. "He's a scribe. His competence has been recognized with local and state media awards," Weeks read. "He has served in and with local organizations. He's been especially supportive of and active in 'Glades events, particularly the Bi-Centennial celebration and the annual 'Black Gold Jubilee. He is definitely 'Pro Glades'. This collector of Cracker Crumbs is Dean Jones."

Jones, unaware that it was his biography being read, was taking notes during the reading. When his name was called, Jones was dumbfounded.

"I was stunned," said Jones. "It's an honor. It's humbling too, because there are so many people in this town who've never gotten it who richly deserve it, particularly since what the plaque says in part, 'because of accurate, fair, and objective reporting', because that's what I was trained and paid to do. It's like I was get-

Katherine Price Foundation dedicated to providing love

UNVEILING HER MOTHER'S portrait at the dedication of the Katherine Price Foundation on Monday, October 21 was Ms. Price's daughter, Elizabeth P. Hinson (left).

By **ELKE SCHWARZ**
BELLE GLADE—Belle Glade citizens and local officials celebrated the dedication and opening of the Katherine Price Foundation Center, Monday, October 21.

The Foundation will provide clothing, food, and emergency shelter to those in dire need, disregarding creed, color, and national origin. Similar to the Red Cross, the center has 12 beds, eight beds on the men's side and four on the women's side. A family section is also provided.

The project, a joint effort between the Federal Government, Palm Beach county, the Katherine Price Foundation and interested citizens, had been in the works since 1972.

The Foundation received a 140,000 grant from the Palm Beach County Division of Housing and Community Development's Emergency Jobs Bill Program in 1983 toward building the center.

The ceremony, hosted by County Commissioner Ken Adams, gave a chance for citizens to express their gratitude for the Katherine Price Foundation Center.

"The continuing ministry of love in Katherine Price is contagious in all of us," said Rev. S. Harry Russell, President of the Katherine Price Foundation. "We can continue to express care and love for those who come this way. Thank you for Katherine Price and those that carry her dream in their hearts."

Board Member Gene R. Cross, recited a poem that was a favorite of Ms. Price. "I want to live in a house on the side of the road and be a friend to man," said Cross. "Today she has her wish. Our theme today is 'We've only just begun'. We have just begun to make this vision of Katherine Price a reality."

Cross said that written referrals to the center

Bicyclist on his fourth trip across the nation

By **ELKE SCHWARZ**
BELLE GLADE—Jerome Knudson knows how to save his gas money when traveling across the nation. He travels on one of his first modes of transportation: the bicycle.

This is Knudson's ninth long distance bicycle trip, his fourth trip across America. His destination: Pensacola, Florida.

Knudson, 30, spent this past Tuesday in Belle Glade before completing his trip. Being of the Baha'i faith, he says he usually stays with a member of the same faith on his journeys.

While in Belle Glade, he stayed with Ann Haskell, a teacher at Glades Central High School, and her family. His faith is one of the major factors which

spurs him on his trips. "My purpose of the trip is not to dip my wheels in the Pacific and Atlantic," Knudson said. "My trips are spiritual, not material."

Although home base is Costa Mesa, California, Knudson's starting point is Charlie's Chili, in Newport, California.

Before hitting the stretch of road in front of him, he fills up with chili cheese dogs, jalapeno peppers, home fries and coffee.

"You definitely learn about yourself on a trip," said Knudson, adding that he usually travels alone. "You learn body discipline and mind discipline too if you work on it."

He travels lightly, taking the very minimum, as not to weigh him down.

"I haven't seen my blow-dryer since California, 4,380 miles ago," Knudson laughed. "But I do carry a tent."

He says on his better days, he rides 115 miles a day. On average days, he travels 60 miles, but he prefers to clear 40 miles a day so he can stop and chat with people along the way.

"I'm lazy. I ride about four days a week," Knudson said. "A lot of people think I'm crazy, but I don't carry any weapons, locks, or lights," he said. "But again, they respect me because of the distance I've traveled."

Very organized, Knudson plans out each mile of his trips. "I know where I'll be four months down the

Hospital honors employees at annual installation banquet

Everglades Memorial Hospital Auxiliary held its annual installation banquet Thursday, Oct. 17, at 7 p.m. in the hospital dining room.

Dale Milita gave the invocation and Ilmae Lampi welcomed the members. Patricia Stedham provided the banquet entertainment with the beautiful singing of "O Glorious Love" and "Because He Lives."

A delicious meal of fruit cup, French onion soup, prime rib, rice almondine, green beans, and a choice of four luscious desserts had been prepared by the hospital kitchen staff under the direction of Marilyn Sims.

The auxiliary was honored by being served by the "Hospital Brass"; Don Anderson,

administrator; Dale Ed Rodgers, Jean Milita, and Chris Hamilton, assistant administrators, and hours — Thelma Lisa Cook, secretary to Crady, Becky Kepp; 5,000 hours — Addie Thompson; 9,000 hours — Tommie Lee Dulyse and Ena Keen. Sybil Gamble, who served 200 hours — Milton Salvatore; 500 hours — year, was given a Louise Adams, Francis special gift, a flower arrangement. Marion Paul Watson; 1,000 Blech, who has served hours — Sybil Gamble, with the auxiliary since

its beginning, has given well over 20,000 hours to the work.

A plaque with an attached gavel was presented by Don Anderson to the outgoing president, Ilmae Lampi, honoring her for the many hours she had given with great dedication in her dual roles of auxiliary president and shop manager.

A floral arrangement

of pink carnations, pink corsages for the new officers, and pink wrapped favors for the members lent a festive air to the banquet table. The favors were butterfly night lights for the ladies, and flash lights for the men. In addition to these favors from the hospital, Ilmae gave each member a tiny butterfly pin which was used on the bow of the favors.

High point of the evening was the installing of new officers: James Bennett, who was the installing official, challenged each new officer to give good leadership to the auxiliary. Officers installed were: president, Frances Lockhart; first vice president, Alice Spooner; second vice president, Ena Keen; recording secretary, Sybil Gamble; corresponding secretary, Tommie Lee Dulyse; treasurer, Thelma Crady; nominating committee chairman, Letha Mole.

The evening ended with all auxiliary members expressing their appreciation to the hospital staff for a lovely banquet.

Easter seals announces safe Halloween project

The Easter Seal Society of Southwest Florida, Inc. has announced an innovative program to bring safety back into Halloween.

As the Halloween Season approaches one cannot but be aware of the overwhelming concern for the safety of children. The thrill and joy of Halloween for our children has been replaced with fear in the hearts of parents and law enforcement agencies. The safety and peace of mind have been lost because children have been ex-

posed to danger on what has been a traditionally festive occasion.

With the concept of rebuilding safety back into Halloween, the Easter Seal Society of Southwest Florida and local Burger Kings offer the "Safe Halloween" which is a community oriented promotion that allows "Trick-or-Treaters" to receive a "tamper proof" treat. Burger King restaurants throughout our community have joined Easter Seals and developed a coupon book which

contains 10 free coupons, each redeemable for one regular order of French fries, for \$1. The coupons would then be given to "Trick-or-Treaters" on Halloween — a tamper-proof treat.

All proceeds will be contributed to Easter Seals to assist children and adults in our community with disabilities. The coupon books will be on sale at participating Burger Kings during the month of October. Help us make it a Safe Halloween.

Jackson-Henderson finalize nuptial plans

Mr. and Mrs. Curtis Henderson Sr. of 1324 SW Avenue C, Belle Glade, would like to announce the engagement and approaching marriage of their daughter, Annie Lois Henderson, to Mr. Bernard Jackson of Pahokee.

Mr. Jackson is the son of Mr. and Mrs. Willis A. Jackson, 230 SW 5th Street, Pahokee. The bride-

elect is employed by the Palm Beach County Health Department in Belle Glade as a laboratory technician. The groom-elect is employed by the Palm Beach County Sheriff's Department.

The wedding will take place at New Bethel Baptist Church, 1101 SW Avenue A in Belle Glade Saturday, Nov. 2, at 4 p.m. The reception will follow in the church dining hall.

Salt And Light

BY REV. HOLLAND VAUGHN, FIRST UNITED METHODIST CHURCH

Learning to listen

Mark 7:32. "And they brought to him a man who was deaf and had an impediment in his speech; and they besought him to lay his hands upon him."

Everybody has trouble saying what they mean.

There is a song I hear on the radio which says that the lover could not express himself in words and he had to "say it with a song."

Psychiatrists and psychologists have their offices full of people who cannot express themselves. Divorce courts are full of people who want to stay together but they cannot express themselves.

People often become violent because they can't make other people understand what they are trying to say. Even what we say is often not what we mean.

We should listen to what other people are trying to say. We should hear what is behind the words they are using. We should not interrupt them, but hear them out, as we would like for them to hear us out.

This will help us grow and be whole and happy in the love of Christ. Listen! You will be glad you did!

It's still only rock and roll

The moralists are at work again. Trying to suppress basic freedoms that have made this country the greatest place to live in the world.

The subject of attention this time, rock and roll music.

Pressure is being applied on music producers to begin rating record albums in the same fashion as movies are now being done. In addition, they want lyrics listed on the outside of record jackets.

Ozzie Osborn, Ted Nugent and others are dubbed as "raunch and rollers" for their sometimes subtle, sometimes blatant references to violence and sex.

The argument is not without merit. These and other singers quite often cross the boundaries of good taste.

Remember back a few years though. Go back to Elvis, Bill Haley and the Comets, The Beatles, Jim Morrison. The actions, music and effects of these artists were considered at the time as obscene or a threat. Now these pioneers are considered legends.

As with books and movies, those who wish to restrict (read censor) what is available say they are doing so for the good of the children. More likely they do so because it is offensive to

Editorial

their own sensibilities.

This is not to say that their way of thinking is wrong. But something to consider. If you can suppress something that you believe is wrong, what is to keep someone else from considering your way of thinking, your books, movies, music and so on, offensive to them? How would you feel if they would not let your voice be heard?

Our forefathers fought and died to preserve the freedoms guaranteed by the Bill of Rights, including that of free speech. The beauty of the system is that it allows for differing thoughts, opinions and self-expression.

There will always be those who abuse any freedoms. But there must be tolerance for either end of the spectrum, so that the rights of those in the middle, the majority, will continue to be guaranteed.

Morality begins at home, not through legislation. The foundation laid there can overcome most any outside influence.

A look back at area history

60 YEARS AGO THE EVERGLADES NEWS OCTOBER 16, 1925

It was said that L. F. Harder of Palm Beach had authorized construction of an arcade building to front 75 feet on Conner's Highway between the Everglades Realty Company office and the Magaw building.

50 YEARS AGO THE EVERGLADES NEWS OCTOBER 18, 1935

Incessant rains during the season resulted in a 50 percent loss of the early bean crop in the Lake Okechobee region. The ultimate damage could not be estimated at that time.

The American Legion pavilion in Pahokee, property of Fred and Percy Mansfield Post, and meeting place of nearly every civic organization in Pahokee, was undergoing a through remodeling of the interior.

Blackmon's Store and Bailey's Grocery were to occupy the new Bloom building just completed in Pahokee.

40 YEARS AGO THE BELLE GLADE HERALD OCTOBER 14, 1955

The first October meeting of the Belle Glade city fathers resulted in a number of major legislative acts which included a new recreation ordinance, the naming of the city attorney and the partial settlement of the city investigator's post.

R.W. (Bob) Lanier was elected president of the Belle Glade Chamber of Commerce at the dinner meeting of the Board of Directors.

20 YEARS AGO THE BELLE GLADE HERALD SEPTEMBER 30, 1975

Six years after becoming the first black to serve on the Belle Glade City Commission, William Greer became the city's first black mayor on a 3-2 split vote during the city's annual organizational meeting.

A group of irate citizens were advised to check their deeds and the plat of their property on 25th Street as a preliminary step in clearing film from the banks of a canal behind their property.

Mrs. Nellie Sproule represented the group and said the residents had been trying for some time to get the film removed and maidencane behind their homes removed.

PAHOKEE OBSERVATION

By Eric Kopp

Things aint always what they seem

GO ROYAL!!!!

There's a certain attorney that drives a nice, clean, new, Mercedes Benz that I am going to own as soon as the Royal's win four games in the Super Bowl.

The dummy thinks the Redbirds are going to sweep the fall classic.

No one ever said having intelligence was a prerequisite to becoming a lawyer.

Alright guys, it's time to jerk the chain of the ladies again. I'm going to attempt to expose a couple of the female methods of "hooking a man."

Guys, when you set out to buy a car you know no matter how slick it looks on the outside you've got to check what's under the hood, and underneath the car.

But, when you land that "Number 10", why don't you do the same?

A friend once intimidated a deep, dark, wet to me that chilled me to the bone.

He began to tell me of the terrifying ordeal he suffered on his wedding night. He had so shaken I wanted to join a monastery.

"After a beautiful wedding and reception, my new bride and I headed off for what I had planned to be the most romantic, lustful, and thoroughly wonderful honeymoon ever."

"Instead it turned out to be more like 'Tookie' than the 'Love Boat'."

"We walked into our hotel room after a wonderful evening of dining and dancing with my mind reeling of the ecstasies to come."

"She began to undress, and I began to come unglued."

"First, she took her wig off, then came the false eyelashes, then the fingernails, some foam filled undergarments, a girdle, and last but not least our came the teeth."

"I was afraid if she kept going I was going to lose my name was Mark instead of Marcia."

I felt deep sympathy for the man. We've all been down that road one time or another. Anytime when I ask a girl out I have them fill out a questionnaire as to what's theirs and what isn't.

I scrutinize each and every one of them. I don't like surprises.

Let's be honest. The male of the species doesn't have many ways of disguising their shortcomings.

The majority of men don't wear make-up, false fingernails, or padded undergarments.

I can't think of many average John Doe type men who wear girdles either.

A man can wear a hairpiece or even a wig, but even that is not an accepted practice. Hey guys we're stuck. Women have to take us at face value, we can't play fallowen every day of the year.

Numerous times I have wished I could put on make-up to cover up the "lines."

One day while talking about the wrinkles in my weathered brow, said I didn't look old, instead I looked like I had been around.

"Around how long?" I asked.

"Then the next step to 'hooking a man' came in to play."

It's called "buttering up the turkey." Me! Talk about laying out a line, when a woman wants something and starts to sweet talk, the honey literally drops off every word.

Next comes "setting the hook", the killer in the game. The final, crushing blow to single life. The home cooked meal.

"You look like you could use a good home cooked meal. You're so thin and pale." She begins to rattle off a menu that would weaken Conan the Barbarian.

She knows she has my full attention when I begin to wipe the drools from my chin.

She also knows when the old belly is stuffed, the goose is cooked.

Guys when you sit down at a table spread with mashed potatoes and gravy, roast, fresh vegetables, and all the iced tea you can drink, there ain't no sense in fightin' it. You have been played, the net is on, and you're being pulled from the water.

Whisper in my ear and I'll follow you anywhere doesn't get it. But lay out a big bowl of 'aters and gravy and I'll follow you to the ends of the earth.

I'll admit it. I'm a mashed potato junkie, and I'm not even going to try and kick the habit.

Let's face it men, we all know the game. And we not only enjoy playing it, but we get a lot of free meals.

Just remember to carry that questionnaire, and don't be afraid to ask questions. Better safe than sorry.

Letters policy

We solicit and encourage letters to the editor.

Our guidelines are simple:

- ✓ No libelous content.
- ✓ Letters should be relatively brief - no more than 300 words as a general rule.

Jones, who graduated with a Bachelor of Science Degree from the University of Florida, was born in DeLand. He came to the Glades in 1971 where he first began writing for the Palm Beach Post and Evening Times. From 1974-1983, his time was spent as the editor for the Belle Glade Herald, before re-joining the Palm Beach Post and Evening Times.

His column "Cracker Crumbs" expresses his feelings on life, particularly in the Glades. Jones tries to view things on a lighter side, but when it comes to Glades folk, his sincerity and

love for them is heartfelt.

"It was an excellent choice. I think he deserves it," said Weeks after the banquet. "When Dean's name was brought up the committee (made up of members of the Chamber of Commerce who are in charge of selecting the Citizen of the Year) said 'Yes, he's the one.'"

D. Bill Mathis, the city's Public Safety Director has a list of credits to his name. He joined the Belle Glade Police Department in 1955, beginning as an identification officer and worked his way up through the ranks as Chief of Police. He was appointed Public Safety Director in 1983.

James and Virginia Norwood, who will be living at the center will be on staff day and night. Ruth Wedgworth, also a board member, referred to the center as a lighthouse, which was the occupation of M. Price's father.

"This is the time when we have dreamed for and hoped for," she said.

"It's only a hope for a beginning where more housing can be provided," said Allan Schnier, Director of the Palm Beach County Housing and Community Development. "It's a shelter, with sanitary conditions, for the needy and less fortunate than us."

road," he said. "In all my trips, nothing has disrupted my schedule."

But, each day is an experience and he takes both his good and bad times with a grain of salt.

"I slept in a cemetery once," he said. "It was thunderstorming, there were holes in the bottom of my tent, and the next morning the grease from my bicycle had found its way into

my tent."

One encounter he fondly remembers was not wanting to ride down a three mile dirt road to a Baha'i school in Arizona. While he prayed, a couple in a motor home stopped and drove him to the school and back.

A mechanic, a coach, a draftsman, Knudson has had a number of jobs. But when the urge comes to hop on his bike and hit the road, he does just that.

desire.

"She couldn't tolerate a child who was cold and needed shoes," said Hinson about her mother. "She used the society to help her people. A burned out family received goods from her own friends."

She also said furniture, linens, Thanksgiving and Christmas baskets would be given to the needy, too.

After the ribbon cutting, guests browsed the center and enjoyed cookies and punch.

The Katherine Price Foundation Board of Directors include: Rev. S. Harry Russell, President; MaiRita Zumpf, Vice President; Mercedes Robinson, Secretary; Dr. David Evans, Jr., Treasurer; Gene R. Cross, Jewel Crane, Olga Mirabal, Dr. Robert Allen, Jr., Dr. Joseph Orsengo, Margaret Earwood, William Grear, Rev. Clifford Davis, Nancy Smith, Rev. Ray Brown, Jane Evans, Commissioner Dan Bythwood, Edward Foley, Jr., Helen McCormick, Rev. K.D. Whita, Louies Taylor, Nancy Booka, Ruth Wedgworth.

It's a habit he's had since age 15.

Through his scenic travels, he claims Colorado is his favorite state because of the mountains.

Pennsylvania, he says, runs a close second.

Knudson plans on making many more trips, hopefully on the same bike he's had for the past nine years.

His goal in life, he says, is to be a Baha'i and to live a Baha'i life. Free of prejudice,

trustworthy, truthful and to serve mankind is what this "bicycling Baha'i" hopes to achieve.

With a his Baha'i faith T-shirt and knapsack on his bike, he wants to make available the teachings of the Baha'i faith.

"I've met a wide variety of people while traveling and deep down inside they're all the same. They're very good," he said. "People make the trip."

Mathis is also a member of the Florida Chiefs of Police Association, the International Chiefs of Police Association, the Florida Department of Law Enforcement Police Executive Forum, and the Florida Intelligence Unit.

"Chief Mathis has served the city of Belle Glade for 30 years," said Chief of Police Mike Miller. "He's totally committed to the department and to the citizens. He has been responsible for my training and making the police department a success."

Jack Scott, the 1985 Fireman of the Year, was described as a unique individual willing to risk his all in an effort to reduce the suffering of others.

This past June, he saved the life of a nine day old baby by administering life-saving techniques. Because the mother of the child had watched his performance, she was able to save her

daughters life, when the baby stopped breathing again the next day.

Scott has been a volunteer fireman for two years and is also a certified EMT.

"He's very dependable," said Fire Chief Jesse Womack. "He's a very fine worker and always there when you need him."

The 1985 Agri-Industrial award went to Ray Roth, also known as the 'Red Prince'. He came to the Glades and began a farming career by share-cropping 10 acres of muckland.

Today, his farms total around 3,500 acres and produce 6,500 acres a year of 14 different vegetable and field crops.

"From that little bit of land he is now where he is today," said Weeks. "He's a real 'Rags to Riches' story."

Guest speaker at the banquet was Dr. Edward Easley, President of Palm Beach Junior College, and Master of Ceremonies was Bob Lee, from the U.S. Sugar Corporation.

POLICE OFFICER OF THE YEAR D. Bill Mathis, currently Belle Glade's Public Safety Director, accepts his award.

RAY ROTH received the Agri-Industrial Award.

Suarez scores twice, leads Gators in 25-0 victory over King's

By ERIC KOPP

BELLE GLADE - Senior running back Jorge Suarez scored on a 70 yard gallop, and caught a 19 yard touchdown pass to lead the Glades Day Gators to a 25-0 win over the King's Academy Lions.

Suarez gained 148 yards on 13 carries and caught two John Hundley passes for 57 yards Friday night, as the Gators manhandled the Lions for their second win of the season.

"It was a good win for us," said Gator head coach Byron Walker.

"We played solid defense all night, and in the second half our offense started to get the ball outside," Walker said.

The Gators led 3-0 at halftime by benefit of a 29 yard John Hundley field goal. Until that point the Gator offense had failed to mount a consistent drive.

Walker said he gave his offensive unit a good talking to during the intermission. "We had to get 'em motivated," he said.

With 2:37 left in the third quarter Suarez took the handoff from Hundley, broke over left tackle, cut across the grain, and scampered 70 yards for the Gators' first touchdown.

Sophomore runningback Ramsey Hayes carried the ball in for the 2-point conversion to put the Gators up 11-0.

With a third and ten situation facing him, King's quarterback Tom Dollalager tried to hit his wide receiver on his own 48, but defensive back Jason Mann stepped in for the interception and returned the ball to the Lions' 38.

After an illegal procedure call against them, the Gators were looking at first and fifteen from the 41. Suarez took the handoff, broke three tackles, and was finally hauled down on the Lions' 20 yard line.

On first down, with :23 seconds left, Hayes ran off tackle for a gain of 5.

The Gators lost a yard on a missed exchange between Hundley and Mann. Suarez picked up 2 yards on third down, giving the Gators

fourth and nine from the 14.

After a five yard delay of game penalty against the Gators, Hundley hit Suarez for a 19 yard TD strike giving the Gators a 17-0 lead with 10:44 left.

Hundley kicked the point after, and the Gators led by 18.

The Gators scored once more when Michael Austin ran off left tackle from 2 yards out, and Hundley added the extra point to give the Gators a 25-0 lead to sew up the game with 3:29 left.

Walker felt one reason for his team's slow start was that they were geared up to stop the Lion's star running back Herbert Newsome, but Newsome was sick and didn't make the trip so his team had to change their defensive game plan.

"We're going to have to play better on special teams and make things happen or else they're going to blow us out," said Walker of

this week's opponent Immokalee.

The Indians are ranked sixth in the state and are primarily a running team with a lot of speed said Walker.

"We're quicker on defense and just as strong physically. Their tackles go 250 and 260 but we're just going to pin our ears back and go after them," Walker said of the Gators' 2-A opponents.

"That's one good thing about having such a young team. We've got a bunch of young 'uns that aren't afraid of anything," he added.

He said his team will do more double teaming at the point of attack, and defensively do more stunting and blitzing.

"Doing that is going to put us in more man to man coverage in the secondary, but we're going to have to force the action to have a chance at beating them," he said.

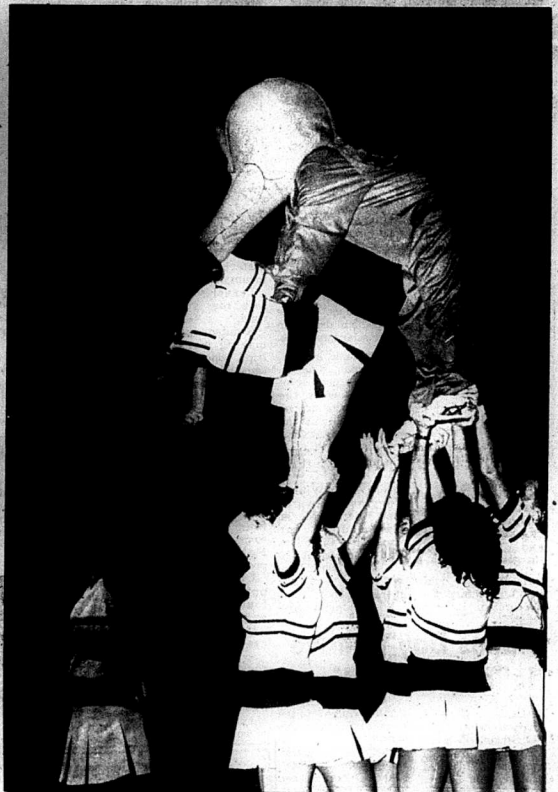

Offensively he said his team will stay with the wishbone.

Speck-A-Thon near, says pro angler Tennessee

This week Lake Okechobee hosted the annual Storm Bass Boat Tournament, out at Oke-Tantle Marina. One hundred and seventy nine boats and 358 fisherman participated. Two local fishermen, Chip Louis and Max Outts of Belle Glade participated. Outts bested this com-

plete field by taking first place and \$3200. Pal Davis and Jeff Hansford, from Belle Glade, took second place and \$1600.

Bubba Helton and Robin Williams of Belle Glade took 15th place. Kenny McIntosh and Lance Glaser took 11th place. Steve Williams and myself

fished. We had a limit of fish but very little weight. It was a well run tournament.

This weekend on Lake Okechobee, the Adam Walsh Tournament out of Clewiston will be sponsored by Big Reel Bass Club out of Margate Florida. This is a very good cause to save our miss-

ing children.

Everybody who's fishing the lake right now is catching fish. They're using Gambler Worms, Tequila Sunrise, Charlie's Worm, Emerald Fire. The small rattletail and Shad Rap are still producing good stringers. Some live shiner fishing is star-

ting to pick up.

My guide party was with E.L. and Al out of West Palm Beach, produced twelve real good fish. Mac McGuinness and Ed had a good bunch of fish. Benton Tyson and friend had some good fish, along with an 8 pound snook.

Spec fishing is just around the corner. Keep an eye out for the

Speck-A-Thon coming soon. All sponsors should be hearing from me in the next couple of weeks.

Boating tip for this week: Check the rope on your pull start motor. A person that I know almost broke his hand trying to start the motor when the rope broke and slammed his hand into the side of the boat.

Until next week save boating and good luck fishing.

Crusaders get fifth win by running over Potomac 60-0

BELLE GLADE—Making a comeback from last week's loss against Island Christian, the Christian Day Crusaders (5-1) literally stomped Potomac 60-0 on Saturday, October 19.

"We worked at getting back to the fundamentals," said Ray. "We practiced on our hitting drills and worked at performing more as a team." And that effort showed throughout the entire game. At the end of the first quarter, the score was 16-0 and at half-time their score jumped 30-0. The number 30 seems to be the half time number for the Crusaders this season. That particular number has ended up in their favor at the

naït in at least three games this year.

Although a lot of penalties were called on Christian Day (120 yards vs. Potomac's 25 yds.) Coach Joe Ray is pleased with the teams performance.

"The whole team played an outstanding ball game," said Ray. Joey Miller threw a TD pass which was caught by Tim Clark.

Crusader David Chamblee completed four TD, running 286 yards on 22 carries. Rodney Rumph scored two TD plus three extra conversion points.

JoJo Ramos also made one TD and one extra point conversion.

In the fourth quarter, with 2:50 to go on the clock, a 52-0 score, and the Crusaders on the 10 yard line, it was quite aggravating when the referees re-called them back to the line three times, after they had already scored twice.

"The offense deserves the credit for the win," said Ray. "Without those guards we couldn't have done anything."

Ray called Potomac a young school, but inexperienced.

"They're a new school. They had a good size,

were well organized and just didn't quit. They were more fired up after the half than they were at the beginning of the game," he said. "Fundamentally they played well, but that lack of experience will get you every time."

This Saturday, October 26, the Crusaders face the Moore Haven Terriers at home.

Moore Haven has been a Crusader rival for many years. Last year, the Terriers walked off with a two point win, defeating the Crusaders 14-12.

Ray feels Moore Haven has lots of young talent and is well disciplined, but that the Crusaders stand a good chance of winning.

Errant snap leads to North Shore 10-9 victory over Glades Central

BELLE GLADE—His right arm was encased in plaster, three of his key players were suffering from food poisoning and his offensive coordinator had to fly home because of a family illness. North Shore Coach Bill Waddell knew things had to get better, but he wasn't expecting this.

His Mustangs stunned the Glades Central Raiders 10-9, the big play coming in the third quarter when Raider punter Mike Smith watched a snap sail over his head as he stood near the goal line. North Shore's Chris Fletcher smothered the ball in the endzone for the score. The win moves North Shore's overall and

district record to 3-2. Central, meanwhile, fell to 3-2 overall and 1-1 in District 7-AAA. The Raiders, despite their two losses, are only four points away from a perfect season.

The Mustangs led 10-0 after the touchdown and a 38 yard Matt Rutter field goal, but Mike Smith hit a 30 yard knuckleball field goal in the third quarter to make it 10-3.

Central's Darrell Sanders tried to make Waddell's week even worse, taking a punt return 35 yards for a touchdown to make it 10-9. But Smith, who missed a last minute field goal last week's 6-3 loss to Atlantic, watched his extra point attempt sail wide to the left.

The Raiders still had one more chance to pull out the win, but fumble on a flea flicker deep in Mustang territory with 1:06 left sealed Central's fate.

Quarterback Jimmy Spencer, outstanding most of the night, completing 11 of 27 for 135 yards, drove the Raiders to the North Shore 39.

JIMMY SPENCER

On third and six, he completed a 10 yard pass to Howard Hill, who could have fallen for the first down and kept the drive alive, but chose instead to lateral to Sanders.

The ball squirted away and was recovered by North Shore's Patrick Howard.

An inability to score when the chips are down has plagued the Raiders all season and the game with North Shore showed no signs of a quick recovery.

On their second possession, Central moved the ball well for 12 plays, but Smith missed a 38-yard field goal. The last two drives of the first half stalled at the North Shore 40.

Eastlake Middle School adds full athletic program for students

By ERIC KOPP
PAHOKEE—In order to develop better athletes and get them ready to compete in high school athletic programs, Eastlake Middle School in Pahokee is beginning an athletic program for the first time.

Principal Antoine Russell said football, basketball, baseball, track, volleyball, and softball have all been added to ready middle schoolers for competition at the high school level.

"It's going to take some time, you don't build these programs over night, but we want to teach these kids the fundamentals and the techniques specified by the high school coaches, so when they get up there

they're ready to play," said Russell.

Eastlake has played two baseball games against the Lakeshore Middle School Roadrunners from Belle Glade and even though they lost both games to the Roadrunners there is good reason for optimism, said Russell.

"Most of the kids have begun to develop their skills thanks to the summer Little League program," he said.

Russell said interest in the school's first football program is high as over 200 boys turned out to take part in the program.

"We had to cut back to 30 kids, and I sure hated to do it," he said.

Eastlake will take the field against

Lakeshore November 8 at the Eastlake field in Pahokee.

Russell added he is working closely with varsity football coach Don Thompson and junior varsity mentor Ben Johnson.

"Mainly we want the kids to learn the terminology that's used at the high school level of play. This will make the high school coaches

job a little easier," Russell pointed out.

The school's basketball program will begin in the middle of November and the track program is scheduled to start in early spring.

Volleyball, softball, and track have been added for the girls.

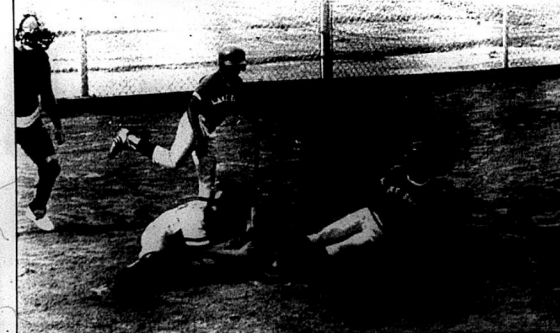

Russell pointed out not only will the middle school athletes have to figure out high school terminology but how to maintain a 1.5 grade point average.

"Not only are we instituting the athletic program, but we're also going to see to it the athletes carry the required 1.5 average, and we're going to enforce the one F rule. If an athlete receives an F on his report card he will be academically ineligible," said Russell.

Finding equipment for the program seems to be the hardest thing to come by at the time.

"We're using junior varsity equipment because we can't afford to put out the money that's needed for new equipment."

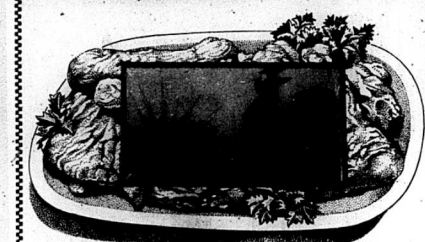

"Hopefully that situation will rectify itself come next year," Russell said.

EASTLAKE AND LAKESHORE MIDDLE SCHOOLS' locked horns for the first time in baseball action last week. The Roadrunners from the Belle Glade school defeated Eastlake 9-8. The two schools will meet next on the football field November 8.

At the Oktoberfest....

BELLE GLADE—Lots of the German Gemütlichkeit was felt at the St. Peters Lutheran School Oktoberfest.

The public was treated to original songs and dances were performed by the schools very own Bavarian Singers and of course, lots of food and drink were at hand.

Cakes, goodies and soft drinks could

be purchased, and enjoyed at the school's Biergarten.

For the children, between bites of cotton candy, games and booths were a highlight. Kids could throw baskets, scramble through the haystack, and do some good old fishing for various prizes such as vampire fangs, rubber creatures, and rings.

ENJOYING A POLKA is St. Peter's Music Director Janis Flihs [top left]. The school's Bavarian Singers perform one of their many numbers [top right]. Above, a traditional German dance is demonstrated. "Herr Tony" entertained the public with his accordion in the Biergarten [far right]. Right, trying out a new dance.

Gunter releases updated brochure on hospital cost comparisons

JACKSONVILLE—State Insurance Commissioner Bill Gunter today released the third in a series of brochures comparing the prices charged by Florida hospitals to treat 12 common medical conditions.

The brochure, which is aimed at getting consumers to comparison shop for hospital care as they would any other service, compares the actual prices charged by hospitals for treating conditions such as heart failure, strokes, childbirth and back problems.

Gunter said the brochures, which the Hospital Cost Containment Board began producing in June, 1984, are among the department's most popular

items and noted that more than 148,000 copies of the last brochure have been distributed to consumers.

"I hope the tremendous popularity of this brochure means that consumers are shopping more carefully and economically for their hospital care," Gunter said. "I believe it makes a difference when consumers see that they can save more than \$1,000 on the very same procedure simply by taking their business across town to another hospital."

Hospital fees for the care of the mother in childbirth, the most common reason for a hospital stay, range from \$1,225 at River-

side Hospital to \$1,620 at Memorial Medical Center. In neighboring Volusia County, the charge for the same procedure is \$746 at West Volusia Memorial Hospital.

The updated brochure, which is titled, "The Patient's Guide to Hospital Charges by Illness Category," contains prices for four procedures not included in the last brochure: angina pectoris, digestive tract problems age 18-69, neonatal infants with serious problems, and simple pneumonia and pleurisy.

The average charges are based on 242,760 discharges amounting to \$697,810 in patient charges as reported to the Hospital Cost Containment Board for the

period from July 1 to Dec. 31, 1984.

The pamphlet is available in 11 regional versions which comprise the entire state. Consumers may obtain free copies at any regional service office of the Department of Insurance, or by writing the Hospital Cost Containment Board, Woodcrest Office Park, 324 John Knox Road, Bldg. L, Suite 101, Tallahassee, FL 32303 and requesting "Patient's Guide." Consumers are asked to please specify their county of interest.

Copies are also available by calling the Hospital Cost Containment Board's toll free hotline 1-800-342-0828.

Eastlake Middle School adds full athletic program for students

By ERIC KOPP
PAHOKEE - In order to develop better athletes and get them ready to compete in high school athletic programs, Eastlake Middle School in Pahokee is beginning an athletic program for the first time.

Principal Antoine Russell said football, basketball, baseball, track, volleyball, and

softball have all been added to ready middle schoolers for competition at the high school level.

"It's going to take some time, you don't build these programs over night, but we want to teach these kid's the fundamentals and the techniques specified by the high school coaches so when they get up there

they're ready to play," said Russell. Eastlake has played two baseball games against the Lakeshore Middle School Roadrunners from Belle Glade and even though they lost both games to the Roadrunners there is good reason for optimism, said Russell.

"Most of the kids have begun to develop

their skills thanks to the summer Little League program," he said.

Russell said interest in the school's first football program is high as over 200 boys turned out to take part in the program.

"We had to cut back to 30 kids, and I sure hated to do it," he said. Eastlake will take the field against

Lakeshore November 8 at the Eastlake field in Pahokee.

Russell added he is working closely with varsity football coach Don Thompson and junior varsity mentor Ben Johnson.

"Mainly we want the kids to learn the terminology that's used at the high school level of play. This will make the high school coaches

job a little easier," Russell pointed out. The school's basketball program will begin in the middle of November and the track program is scheduled to start in early spring.

Volleyball, softball, and track have been added for the girls.

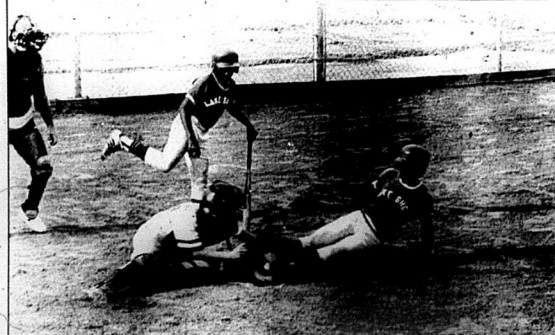

Russell pointed out not only will the middle school athletes have to

figure out high school terminology but how to maintain a 1.5 grade point average.

"Not only are we instituting the athletic program, but we're also going to see to it the athletes carry the required 1.5 average, and we're going to enforce the one F rule. If an athlete receives an F on his report card he will be academically in-

eligible," said Russell. Finding equipment for the program seems to be the hardest thing to come by at the time. "We're using junior varsity equipment because we can't afford to put out the money that's needed for new equipment."

"Hopefully that situation will rectify itself come next year," Russell said.

EASTLAKE AND LAKESHORE MIDDLE SCHOOL'S locked horns for the first time in baseball action last week. The Roadrunners from the Belle Glade school defeated Eastlake 9-8. The two schools will meet next on the football field November 8.

The time is approaching for everyone to begin carving that jack-o-lantern and watching out for "things that go bump in the night." This Saturday Glades Day will celebrate the occasion with our annual Halloween Carnival and auction.

The evening will kick off at 5:30 p.m. with

the costume parade for preschool through sixth grade. The food booths will also open at this time. All other booths and events will open at 6:30.

You will have the opportunity to bite into a candied apple, taste the chili, try your luck at some of the game booths, take a hay ride with a "certain someone," and even though REAL GATORS are very brave, I'll bet some high-pitched screams will be heard from the spook house.

The auction begins at 7 p.m. with almost everyone having their eye on that special something to take home with them. The high point of the evening comes with drawing for the 1985 Ford Thunderbird, which the whole school has been ogling for weeks. Tickets are \$100 per chance. Someone will definitely be driving off in style!

Our Gator guys did it again last week. The J.V. defeated Moore Haven with a touchdown

on the last play of the game, making it 20-14. The varsity team dominated King's Academy 26-0.

This victory was very fitting considering the fact that all the doors at GDS were decorated with the "Lay the Lions Low" theme on Friday to boost Gator spirit.

Mrs. Schiele's junior class won first place in the high school and Mrs. McDermott's fifth grade class came in first in the elementary.

Another group doing a lot of winning these days is the girls' varsity volleyball team. They defeated Palm Vista Monday, increasing their record to 10 wins and 5 losses. Keep it up, girls, and show everyone it's the Lady Gators that dominate!

The first step towards college planning for the Junior Class came Tuesday when they took the PSAT test at Palm Beach Junior College in Belle Glade. This pretest to the SAT starts the

ball rolling for college information.

The National and Junior Honor Societies held their annual induction ceremony last night. New members in the National Honor Society are Sharon Sims, Amy Creech, Michelle Fieha, Kelly Green, Chad Hood, Tommy Mikovsky, Sherrie Miller, Trey Sizemore, Terri Towell and Heather Wilson.

The Junior Honor Society's new members are Paul Prescott, Kelli Woodham, Kikki Bair, Betty Garcia, Jennifer Laitsey, Alexis Sears and Kassie Simonsen.

The J.V. football team will play the John Carroll Rams at home tonight. We're looking for another victory!

Tomorrow night our Mighty Gators take on the Class AA Immokalee Indians. This is expected to be our toughest game of the year so we need lots for Gator fans out there giving our boys support. Game time is at 8 p.m. on the Gator field. See ya there!

NO PASS NO PLAY

Recently, Kenneth Morris, a student at Glades Central, introduced an idea to his graphic arts teacher, Mr. Schultz. The idea was to make student athletes aware of the 1.5 grade point average which is in effect in order to play sports. Mr. Schultz started allowing his class to print up signs with different sports

figures bearing the slogan, "No Pass, No Play." These posters will certainly emphasize the importance to athletes of being not only an athlete, but an academic athlete.

RUNNING FOR ROYALTY

Glades Central students are trying to make up their minds who they want to elect for campus royalty for Homecoming. Running for Queen of the Senior Class are Quesoma Walker, Idell Clark, and Michelle Jackson.

For the queen of the Junior Class, Debra Brice, Rochina Johnson, and Ivonne Rico are contenders. Tenth grade candidates are Janice Smith, Rhonda Brown, and Cheryl Anderson. The ninth graders are sponsoring Keshia Edwards, Melanie Bolden, and Lisa Miller. Winners will be announced at the coronation next Tuesday evening.

future games.

With the annual fall festival coming up next week, students are finding out what they have to bring and are setting up their shifts to work. The fall festival will be next Thursday, and the festivities will begin at 5 p.m. with a parade in the gym.

Elementary kids will be dressed in their costumes to see if they can win a prize. We are looking forward to an evening of fun and ex-

citement!

The Christian Day Crusader Choir is excited about its tour in November. The tour will be November 17-24.

Since the choir will go to South Carolina, North Carolina, Tennessee, and the mountains, choir members will need to be prepared for cold weather.

The choir members have a lot of work ahead of them, and it needs the Lord's help. Christian

day School is having a good year, and we feel that the Lord has been with us constantly.

Glades area Boy Scouts learn skills in Camporee

Boy Scouts from Moore Haven, Clewiston, Belle Glade, and Pahokee learned basic outdoor living skills and generally had a great time at the Glades District Annual Fall Camporee Oct. 18, 19, 20, at the Hilliard Ranch west of Clewiston.

According to District Scout Executive Lowell White, "I

was pleased to see that the Scouts had such a wonderful time. The leaders seemed to enjoy it, too, although it was a lot of hard work for them."

"I'd like to congratulate Billy Abernathy of Pahokee for such a fine job as Camporee chief. He put in a tremendous amount of work."

A total of 57 scouts and 21 leaders attend-

ed the Camporee whose theme was "Back to Basics."

Other than White and Abernathy, troop leaders included: John Lasagna, Joe Wood and Bill Ramey of Troop 613, Moore Haven; Billy Schoenfeld and Wayne Corbin of Troop 522, Community United Methodist Church, Belle Glade; Ray Santerfeit and Julia Johnson of Troop

604, Pahokee; Dave Anderson, Tom Dean, Al Rumpf, Greg Demuth, Raymond Navarro, Frank Lasagna, Joe Wood and Bill Ramey of Troop 600, First Baptist Church, Clewiston.

Larry Henderson led a group of Webelos Scouts from Pack 619, Clewiston United Methodist Church, Troop Thompson III of

Belle Glade served on the Webelos staff.

The Clewiston Jaycees were in charge of morning activities which included an obstacle course, log drag, stretcher relay, fire building, and knot identification. Jaycees participating included Pat Hough, Bobby R. Jones Jr., Robie Hester, Charlie Swindle, and Leo Garcia.

The Camporee officials were most appreciative of Joe Marlin Hilliard for the use of the camporee site. They also expressed thanks to Craig Shuford and Pat Imbimbo for their assistance.

COMPUTER TALK

Since the beginning of 1985, the airlines have become officially deregulated. The result has been an influx of new fares. For instance, in one week alone, 60,000 fare changes were made nationwide. One particular fare offered 200 different fares for the same destination. To gain access to all the information about possible flights, a computer is essential. Most travel agencies are linkages in an airline whose computer system must list all flights by all airlines. Most airlines' reservations systems, however, are biased in their favor. While it must list all other airlines' flights and fares, the airline has no obligation to do it on a priority basis. Thus, the travel agent must ask the computer specific questions. This requires experience, knowledge about the various airlines, their flights and general fare policies.

Carolina; and one sister, Virgie Lawrence of Otway, North Carolina.

Funeral services and interment were in Otway, North Carolina. The Wetherington Funeral Home, Cypress Chapel, Pahokee, was in charge of local arrangements.

RICHARD ELLIS HODGES

Richard Ellis "Dick" Hodges, 66, of 1400 NW Avenue G, Belle Glade, died Friday, Oct. 18, in the Everglades Memorial Hospital, Pahokee. Although in ill health for several months his death came unexpectedly.

Mr. Hodges was born in Okeechobee, Florida, on May 31, 1919. He had been a resident of the Glades since 1939, having moved here

from Lake Worth.

Prior to his retirement he was associated with Belle Glade Machine Works as a machinist, and since his retirement, he had worked part time with Blackwell Welding.

He was a member and Past Master of the Belle Glade Lodge Number 273, F&M, a member of the Scottish Rite Bodies, Valley of Lake Worth, a member of the Amara Shrine Temple, a charter member and Past Engineer of the Iron Horse Unit, a former member and past president of the Belle Glade Lions Club, a member of the Belle Glade Elks Lodge Number 1776, a member of the National Camping Travelers. He was active in Scout work and

in the Little League. He had served as president of the Belle Glade Athletic Association. He was a member of the Community Methodist Church, Belle Glade.

Surviving are his wife, Iris Salvatore Hodges; one son, Ronald Hodges of Pahokee; one daughter, Patricia Barton of Hobe Sound; one brother, James Hodges of Okeechobee; three grandchildren, Richard Hodges of Pahokee, Christine and Bryan Tucker, both of Hobe Sound.

Funeral services were conducted Sunday, Oct. 20, in the First United Methodist Church, Pahokee. The Rev. S. Harry Russell, pastor, the Community United Methodist Church, Belle Glade, officiated. Masonic services followed, conducted by Belle Glade Lodge No. 273, F&M.

Donations may be made to the Shrine Crippled Children's Hospital or Burns Institute.

The Wetherington Funeral Home, Cypress Chapel, Pahokee, had charge of the arrangements.

born in Frederica, Delaware, on January 13, 1932, son of the late Arthur and Elizabeth C. Coverdale. He was a resident of the Glades for the past 30 years, having moved here from Delaware.

Prior to his retirement due to ill health, he was associated with Lake LP Gas as a serviceman.

Mr. Coverdale is survived by his wife, Ann Payne Coverdale of Belle Glade; two sons, Ronnie Page of West Palm Beach, Richard Coverdale of South Bay; two daughters, Zandra Bell of Pahokee, Vickie Bunting of Belle Glade; one brother, Leroy Coverdale of Frederica; one sister, Myrtle Mitchell of Lewis, Delaware; grandchildren Erik and Kurt Konrad, of Pahokee and Jason and Kendra Bunting of Belle Glade.

Funeral services were conducted Saturday, Oct. 19, in the Cypress Chapel of the Wetherington Funeral Home. The Rev. James C. (Jimmy) Sims officiated. Interment was in Port Mayaca Memorial Park.

Serving as active pallbearers were A.B. Bradley, Gene Redd, Mark Young, Junior Brown, Phil Bonnell, Doug Davis, Mike Hadden and Kenneth day. Oct. 16, in St. Mary's Hospital, West Palm Beach. The death came following an illness of several years.

City employee wins in backhoe competitions

BELLE GLADE Glenn McDaniels took first place in a Case Excavation Rodeo in Riviera Beach, Sunday, October 20.

The City of Belle Glade entered McDaniels in the competition. McDaniels is a city employee who operates the city's new backhoe.

To win the competition, McDaniels had to complete various maneuvers set forth by the judges and complete them in a set time

limit. Competitors from all over the state of Florida participated in the competition.

McDaniels won a trip for two to the national competition in Shawano, Wisconsin, in February, 1986. He also received a plaque, gold belt buckle and a certificate.

He and his wife Ava live in Shawano Village, Belle Glade. He is the son of J.T. and Votis McDaniels, also of Shawano Village.

CAFETERIA WORKERS at Gove Elementary were honored recently at the school with pins. Principal Ruth Irvin said the staff did a fine job during school lunch week and continue to do a good job throughout the year. Front row from left are

Elizabeth Lonon, Pamela Cooper, Baulah Jones, Rosie Lau, manager, Sara Hidalgo and Madrus Teale. Back row from left is Janice Jarrell, Lois Lombert, Estela Ventura and Ella Mac Hankerson. Not shown is Lolo Woodham.

Stolen gun used in burglary recovered, one arrest made

PAHOKEE—Acting on a tip from a confidential informant, officers of the Pahokee Police Department arrested a Riviera Beach man on charges of dealing in stolen property and possession of a firearm by a convicted felon, and recovered a .32 caliber Smith & Wesson

reportedly stolen in the burglary of a house on S. Barfield Highway.

Police reports said Patrolmen Dennis McIntosh and James Wagnon arrested John Wesley Maney Saturday after he reportedly sold the weapon for \$40 to Pahokee man.

The gun was reportedly stolen in Friday's burglary of the Laurie Harrington residence. Police said thieves took items totalling \$521 in the burglary.

Patrolman Etheridge Bryant, who is working the burglary, said the intruder(s) entered

the house through a window between the hours of 10:30 a.m. and 12:30 p.m.

Police sources said Maney was placed in the Palm Beach County Jail under a \$3,000 bond, and that he had just been released from jail on October 3, by the Department of Corrections.

Evening classes at West Tech

Evening classes for the second term at West Technical Education Center are set to begin Nov. 4. Classes will run through Jan. 16, 1986, according to a spokesperson for the Center.

A wide range of classes will be offered in such areas as agriculture, business education and industrial education.

Several business education classes will be offered including Basic Accounting Procedures, Data Entry, and Word Processing. Computers are utilized for instruction in these areas.

The upholstery class has been reintroduced with a new instructor, Raoul Denis. Mr. Denis has had many successful years of experience in upholstery work in the glades area.

SOME LIGHT CONVERSATION FROM UNITED TEL

You may not know it, but if you're a United Telephone customer, you may have listened to light. How? Over United Tel's Fiber optic network. United Telephone was among the first in Florida to carry calls over light waves. And today, United Tel's Fiber optic cables carry hundreds of times more voice and data traffic than we could have handled with conventional cables. Fiber optics are just one of the ways we're working to make your phone service more valuable. That's light conversation from United Tel.

The officers later went into workshop sessions which gave them insights and knowledge about their respective positions as officers in the club.
Students attending were Coshia Jackson, president; Tekesha Wilson, vice president; Pamela Padgett, treasurer; Latasha Green, secretary.
Other members of the club are Shalandra Clark, Karen Singleton, Debbie Birtwhright, Latrisa Glover, Sirena

Man arrested on grand theft charges
clothing, totalling \$167.76.
Pahokee Police Department reports state while Patrolman Dennis McIntosh was on patrol he was informed by Patrolman James Wagon of an apparent burglary at the store.
A confidential informant told McIntosh that a wearing black pants was seen running down Adam's Place carrying an arm load of clothing.
McIntosh and Wagon saw the man short time later running in the direction of Third Street, then towards Rardin Avenue.
The man was stopped and the clothing was found in the backyard at 314 Rardin.
Police reports said the clothing was identified by store owner Edward Arons.

Tips For A Safe And Happy HALLOWEEN!

COSTUMES

Keep costumes simple. Long and fancy ones could cause children to trip. Costumes should also be fire-proof (see formula below).

Costumes should be made of white or light-colored material, to be easily seen at night. Reflecting patches or strips can also be added to the costume.

Regular street shoes should be worn, as opposed to fancy "clown", or "pirate" shoes, etc.

Props, such as guns or swords, should be made of styrofoam or cardboard.

If jack-o'-lanterns are carried, a flashlight should be inside, instead of a candle.

At least one person in each group should carry a flashlight.

FIREPROOFING RECIPE

MIX: 9 oz. Boric Acid
4 oz. Borax
1 qt. Hot Water

Saturate fabric and allow to dry. Washing will remove fireproofing, but process may be repeated after washing.

MASKS

Instead of wearing masks, paint faces with make-up.

Apply a thin coat of cold cream before applying the make-up (make-up will come off easier).

TREATS

Never eat anything until after you are home, and the treats have been examined.

Cut and wash fruit before eating.

Throw away anything unwrapped.

Check the wrappers of commercial treats for signs of tampering.

Notify the police if harmful items are found.

PARTIES

Older children should attend parties, instead of going trick-or-treating.

Younger children may enjoy attending a party organized by concerned parents in the area, instead of going trick-or-treating.

Some game suggestions are:

- Apple Bob
- Speak House
- Ghostly Dance
- Costume Contest

TRICK-OR-TREAT

A responsible adult, or teen, should accompany each group.

Try to limit the group size to four or five.

Trick-or-treating should be for small children only... if the child is too old to be accompanied, he is too old to go trick-or-treating.

Walk! Do not run while going trick-or-treating.

Stay in your own neighborhood, and only go to houses which have porch lights turned on.

Parents should know exactly what route their children are taking.

Never enter a stranger's house—even if invited.

Carry trick-or-treating bags that have handles, to keep your arms free.

PARENTS

To avoid encouraging children to enter a stranger's house, never invite trick-or-treaters into your home.

Give wrapped, homemade treats only to children you know, and wrapped commercial treats to others.

Be certain that your children are accompanied by an adult or a responsible teenager.

Know which friends your children will be with.

Do not leave your home unattended on Halloween Night.

Leave your porch light on, so children will know it's okay to visit your home.

Keep your pets inside (house, garage, or shed) on Halloween Night.
